

Heart Rhythm 2011

32nd Annual Scientific Sessions
May 4-7, 2011 • San Francisco, CA USA

Save The Date

Join us in San Francisco May 4–7, 2011 at the premier event for the cardiac arrhythmia community, Heart Rhythm Society's 32nd Annual Scientific Sessions.

San Francisco always draws engaging professionals who are looking to invest in new products, technologies and methodologies. Bring your latest scientific innovations – and Heart Rhythm Society will deliver an audience eager to put your tools into application.

**Apply for exhibit space on or before
October 1, 2010
to utilize your priority points for
your space assignment.**

Please contact James McGowan, Exhibit & Promotional Support Sales, for all of your exhibiting and promotional sponsorship needs.
