

# Heart Rhythm Society Exhibitor Advisory Council

The Heart Rhythm Society Exhibitor Advisory Council (EAC) is comprised of corporate representatives from companies participating as exhibitors in the Heart Rhythm Society's Annual Scientific Sessions. The EAC serves a critical role in educating, informing and advising the Heart Rhythm Society's leadership regarding the successful operation of the organization's Annual Technical Exhibit Program. Individuals who are interested in participating in the activities of the EAC should contact Deborah Howley at (856) 232-2322, ext. 11 for more information. If you have any comments or concerns regarding the Heart Rhythm Society's Technical Exhibit Program, please contact any EAC member listed or call Deborah Howley at (856) 232-2322 ext. 11.
